GREATNESS

A large, rectangular white poster is mounted on a weathered, grey concrete wall. The poster features the text "LIVE, WORK, CREATE." in a bold, black, sans-serif font, arranged in three lines. The wall itself is textured and shows signs of age, with some peeling paint and visible rebar. In the upper left corner, a section of a roof with brown tiles is visible. The overall scene suggests an urban or industrial setting.

**LIVE,
WORK,
CREATE.**
